

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PUBLIC SERVICE COMMISSION)	
)	
v.)	CASE NO. 9309
)	
W & G LOUISVILLE ASSOCIATES)	

ORDER TO SHOW CAUSE

On February 4, 1983, the Commission's Secretary notified W & G Louisville Associates ("W & G") that they were operating a sewer utility subject to the Commission's jurisdiction pursuant to KRS 278.010. (A copy of this letter is attached as an appendix to this Order.) An informal conference was subsequently held on July 13, 1983, between officers of W & G and members of the Commission's staff. As a result of this conference, W & G agreed to file certain written information with the Commission. On November 4, 1983, the Commission's Secretary again reminded W & G that they must file certain information forthwith or a show cause proceeding would be initiated against them by the Commission. No response to the November 4, 1983, letter has been received.

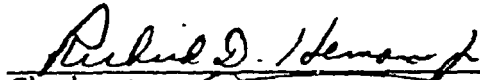

Having considered the information compiled by our staff in this matter and being advised, the Commission hereby finds that W & G is operating a sewer utility as defined by KRS

278.010(3)(f). The Commission further finds that W & G has failed to operate this sewer utility in accordance with the Commission's regulations set forth in 807 KAR 5:001, et seq.

IT IS THEREFORE ORDERED that W & G Louisville Associates, Post Office Box 449, Crestwood, Kentucky 40014, shall appear at the Commission's offices in Frankfort, Kentucky, on May 16, 1985, at 9:00 A.M., E.D.T., to show cause, if any it can, why it should not be subjected to the penalties set forth in KRS 278.990 for operating a sewer utility in non-compliance with the relevant statutes and regulations.

Done at Frankfort, Kentucky, this 2nd day of April, 1985.

W & G Sewer Plant
6200 Crestwood Street
P. O. Box 449
Crestwood, Kentucky 40014

Gentlemen:

We are advised that you are operating a sewage system which provides service to or for the public.

Section 278.010 of the Kentucky Revised Statutes defines "utility", in part, as any person except a city who owns, controls, operates or manages any facility used or to be used for or in connection with the furnishing of utility service to or for the public for compensation.

Please notify the Commission in writing as soon as possible as to the nature of the sewer operations, the area served, number of customers, and the rates charged.

Should you have any question concerning this matter, please contact Mr. Michael Newton of our Engineering Division.

Very truly yours,

PUBLIC SERVICE COMMISSION
